

January, 2018

Dear Broker,

As we look back upon the past year, we would like to acknowledge those who have helped make our success possible. Thanks for a great year, and we wish you all the best as you embark on 2018.

We especially want to thank you for patience and support as we worked through our computer issues last month. Our commitment to providing you with prompt and courteous service is one we do not take lightly. We know you have choices when placing your business and we strive to be your market of choice.

We sincerely thank you for your business and continued support and wish you success in the new year.
